DESCRIPTION

On February 10, 2024, at approximately 0514 hours, the Sheboygan County Emergency Communication Center received a report of a garage fire in the 3300 block of Main Avenue. A full department response was dispatched, and the first fire unit arrived on the scene in 5 minutes.

The first fire unit on the scene reported the garage was fully involved in fire and was starting to spread to the detached home. Initial crews pulled a large handline to the rear of the house and limited the damage to the home.

Additional fire crews on the scene worked to extinguish the fire with multiple hose lines and checked the detached home to ensure the fire had not spread to the structure's interior.

Crews remained on the scene for approximately 2 hours, overhauling the garage and putting out hot spots.
